

Come Let Us Worship And Bow Down

Come let us worship and bow down
Let us kneel before the Lord
Our God our Maker
(x2)

For He is our God
And we are the people of His pasture
And the sheep of His hand
Just the sheep of His hand

Come let us worship and bow down
Let us kneel before the Lord
Our God our Maker
(x2)

For He is our God
And we are the people of His pasture
And the sheep of His hand
Just the sheep of His hand
(x2)

As the Deer

As the deer pants for the water
So my soul longs after You
You alone are my hearts desire
And I long to worship You

You alone are my strength, my shield
To You alone may my spirit yield
You alone are my hearts desire
And I long to worship You

I want You more than gold or silver
Only You can satisfy
You alone are the real joy giver
And the apple of my eye

You alone are my strength, my shield
To You alone may my spirit yield
You alone are my hearts desire
And I long to worship You

You're my friend and You're my brother
Even though you are a King
I love You more than any other
So much more than anything

You alone are my strength, my shield
To You alone may my spirit yield
You alone are my hearts desire
And I long to worship You

He Will Hold Me Fast

When I fear my faith will fail
Christ will hold me fast
When the tempter would prevail
He will hold me fast

I could never keep my hold
Through life's fearful path
For my love is often cold
He must hold me fast

He will hold me fast
He will hold me fast
For my Savior loves me so
He will hold me fast

Those He saves are His delight
Christ will hold me fast
Precious in His holy sight
He will hold me fast

He'll not let my soul be lost
His promises shall last
Bought by Him at such a cost
He will hold me fast

He will hold me fast
He will hold me fast
For my Savior loves me so
He will hold me fast

For my life He bled and died
Christ will hold me fast
Justice has been satisfied
He will hold me fast

Raised with Him to endless life
He will hold me fast
Till our faith is turned to sight
When he comes at last

He will hold me fast
He will hold me fast
For my Savior loves me so
He will hold me fast

God Is For Us

We won't fear the battle, we won't fear the
night

We will walk the valley with You by our side
You will go before us, You will lead the way
We have found a refuge, only You can save

Sing with joy now, our God is for us
The Father's love is a strong and mighty
fortress

Raise your voice now, no love is greater
Who can stand against us if our God is for us

Even when I stumble, even when I fall
Even when I turn back, still Your love is sure
You will not abandon, You will not forsake
You will cheer me onward with never-ending
grace

Sing with joy now, our God is for us
The Father's love is a strong and mighty
fortress

Raise your voice now, no love is greater
Who can stand against us if our God is for us

Neither height nor depth can separate us
Hell and death will not defeat us
He who gave His son to free us
Holds me in His love

(x2)

Sing with joy now, our God is for us
The Father's love is a strong and mighty
fortress

Raise your voice now, no love is greater
Who can stand against us if our God is for us
