

God Is For Us

We won't fear the battle, we won't fear the night

We will walk the valley with You by our side
You will go before us, You will lead the way
We have found a refuge, only You can save

Sing with joy now, our God is for us
The Father's love is a strong and mighty fortress

Raise your voice now, no love is greater
Who can stand against us if our God is for us

Even when I stumble, even when I fall
Even when I turn back, still Your love is sure
You will not abandon, You will not forsake
You will cheer me onward with never-ending grace

Sing with joy now, our God is for us
The Father's love is a strong and mighty fortress

Raise your voice now, no love is greater
Who can stand against us if our God is for us

Neither height nor depth can separate us
Hell and death will not defeat us
He who gave His son to free us
Holds me in His love
(x2)

Sing with joy now, our God is for us
The Father's love is a strong and mighty fortress

Raise your voice now, no love is greater
Who can stand against us if our God is for us
(x2)

Ever Be

Your love is devoted
Like a ring of solid gold
Like a vow that is tested
Like a covenant of old
And Your love is enduring
Through the winter rain
And beyond the horizon
With mercy for today

Faithful You have been
And faithful You will be
You pledge yourself to me
And it's why I sing

Your praise will
Ever be on my lips
Ever be on my lips
(x4)

You Father the orphan
Your kindness makes us whole
And You shoulder our weakness
And Your strength becomes our own
Now You're making me like You
Clothing me in white
Bringing beauty from ashes
For You will have Your bride

Free of all the guilt
And rid of all the shame
And known by her true name
And it's why I sing

Your praise will
Ever be on my lips
Ever be on my lips
(x4)

You will be praised
You will be praised
With angels and saints we sing
Worthy are You Lord
(x4)

And that's why I sing...

Your praise will
Ever be on my lips
Ever be on my lips
(x4)

He Will Hold Me Fast

When I fear my faith will fail
Christ will hold me fast
When the tempter would prevail
He will hold me fast

I could never keep my hold
Through life's fearful path
For my love is often cold
He must hold me fast

He will hold me fast
He will hold me fast
For my Savior loves me so
He will hold me fast

Those He saves are His delight
Christ will hold me fast
Precious in His holy sight
He will hold me fast

He'll not let my soul be lost
His promises shall last
Bought by Him at such a cost
He will hold me fast

He will hold me fast
He will hold me fast
For my Savior loves me so
He will hold me fast

For my life He bled and died
Christ will hold me fast
Justice has been satisfied
He will hold me fast

Raised with Him to endless life
He will hold me fast
Till our faith is turned to sight
When he comes at last

He will hold me fast
He will hold me fast
For my Savior loves me so
He will hold me fast
(x2)

Trust You

Father of heavenly lights
Fount of wisdom and love
All is laid bare in your sight
You know my ways
I believe you will provide all I need in my life
I will not fear anymore,
For I will, ever...

Trust you, Jesus
Trust you, Jesus
Trust you with my life

You hold the world in your hands
God of mercy and might
Knew me before I was born
Called me by Name
How could I ever respond but to fall and
adore
I love to know You more,
Lord I will, ever...

Trust you, Jesus
Trust you, Jesus
Trust you with my life

Let not the wise trust in their wisdom
Let not the strong boast in their might
Let not the rich glory in riches
I will trust You

Trust you, Jesus
Trust you, Jesus
Trust you with my life
